The United States Postal Service hereby provides notice of an amendment to its April 26, 2010 Mail Classification Schedule (MCS) language for the Philatelic Sales nonpostal product required to be filed by Order No. 154. The change updates the charges for philatelic order fulfillment in the MCS language proposed for the Philatelic Sales product. The update reflects the changes for Stamp Fulfillment Services (MCS 1560) filed in Docket No. R2012-3, and implemented on January 22, 2012. Attachment A shows the appropriate changes to the MCS language that was filed on April 26, 2010, for the Philatelic Sales product. Additions are underlined, and deletions are marked by strike-through.
